New Events Calendars

- The Convention and Visitors Bureau has recently installed community calendar televisions in the lobbies of all the local hotels as well as in the foyer of the Government Center. These calendars are kept updated using events that have been submitted to fdl.com. When creating an event, remember to enter it on fdl.com, downtownfdl.com, and create an event on Facebook. The events on fdl.com are sent to the newspaper once per month for printing the following month, if your event is less than four weeks away when you submit it you will need to submit it to the paper on your own.
- The CVB and newspaper calendars will not publish sale events; however, these types of events are perfect for downtownfdl.com and Facebook.

If you have a suggestion for a person or pair you believe have a good story to tell, please contact the DFP.
