- The BIG is designed to incentivize property owners to undertake exterior property improvements, which will lead to increased property value and a better utilization of properties within downtown Fond du Lac. Grants are awarded based on the following criteria including, but not limited to: projected increase in property value, blight elimination, street front visibility, business track record, impact on surrounding neighborhood, a signed lease from a viable tenant, job creation, readiness to proceed, local economic impact, and new use of a high-profile property. If you are considering any improvements to your building façade, please contact [Amy Hansen](#) to begin the process of applying for a Building Improvement Grant.

Pop of Fond du Lac

- Pop Up Fond du Lac is a program to foster small business startups with the potential to become permanent bricks-n-mortar downtown businesses. Our goal to give entrepreneurs the ability to test their concepts before entering into a long-term lease. We provide subsidized rent provided the business meets our program criteria. There must be a desire on the part of the business owner to expand to a full-time year-round business and work with the DFP on their business plan. Businesses must be independently owned retail. The Pop Up Fond du Lac Program will continue through 2021. Additional information on the Pop-Up Shop program can be found on our website → <http://downtownfdl.com/popup.html>

New Businesses

- Bespoke salon has opened at 20 N. Main Street. The Dispensary has opened at 113 N. Main Street.
