Downtown Architectural Review Board Meeting

The Downtown Architectural Review Board meets on the first Tuesday of the month at 12:00 p.m. in Meeting Room A of the City-County Government Center, 160 S Macy Street. Meeting dates are listed in the *Downtown Architectural Review Board Timetable*. The project applicant or representative must attend the meeting to present the proposal.

Project Review: The purpose of the Downtown Design District is to enhance the character and appearance of Downtown Fond du Lac. The Community Development Department analyzes each proposal and prepares a recommendation for the project. The project analysis and recommendation is provided to the applicant in advance of the public meeting.

DARB Meeting: The Chairperson will ask the project applicant to present the proposal. The Board may have questions for the applicant and/or City staff. Public comment will be invited. In reviewing a project the Downtown Architectural Review board considers the overall impact, along with the City regulations of the Downtown Design District, and the Downtown Fond du Lac Partnership Guidelines. An appeal of the Board's decision may be considered by the Board of Appeals.

Project Approval Time Limitation: A project approved by the Downtown Architectural Review Board must begin within one year from the date the approval was granted and continue with due diligence. If a project does not begin within one year of its approval, the action of the Downtown Architectural Review Board is null and void. Failure to complete the project as approved by DARB may result in a requirement to modify and/or redo work and/or delay occupancy.
